

Two Year Warranty

Standard warranty is 2 years on labor supplied by Electrical Solutions. The products installed by Electrical Solutions will have a manufacturer's warranty which is separate from our labor warranty. The manufacturer's warranty will have its own terms and conditions.

For the products installed for the client by Electrical Solutions the warranty literature will be left with the client. It is the client's responsibility to follow through on any conditions mandated by the manufacturer such as but not limited to filling out the warranty, registering the product online, or mailing the appropriate paperwork. Electrical Solutions obligation for defective products is governed by the manufacturer's warranty as to whether labor is covered under the manufacturer's warranty.

Electrical Solutions obligation for workmanship shall be limited, at Electrical Solutions option, to the repair of any workmanship or the refund of amounts paid by Customer for said service and shall be submitted in writing to Electrical Solutions of said defect within the 2-year period noted herein. The 2-year period begins on the date of the invoice supplied by Electrical Solutions to the client upon completion of work.

Customer supplied equipment is excluded. If parts have been replaced by Electrical Solutions and worked on by anyone else during warranty period or use of items that damage electrical parts supplied by us the labor warranty is void.

All warranty issues must be allowed to be inspected and approved by Electrical Solutions before any repair is made or warranty is voided. Warranty is not transferable. Not liable for damage caused by weather, normal maintenance items not reviewed by whomever, or manufacturer defects.
